

Scorecard 2011

July 1, 2010 - June 30, 2011

Civic Consulting Alliance is a partnership that reshapes how the city works.

143 PROJECTS

670 PEOPLE

We build pro bono teams of business experts, government leaders, and our own staff. Together, we figure out workable and enduring ways to make our city more livable, affordable, and globally competitive.

Our clients include **Chicago Mayor Rahm Emanuel, Cook County President Toni Preckwinkle**, and other government executives committed to leading tremendous reforms.

We stage a series of projects to create a sequence of results that, over time, addresses complex issues and opportunities.

19

EDUCATION

Provide all residents access to a world-class education

23

ENVIRONMENT

Make Chicago the greenest city in the nation

6

WORKFORCE

Make Chicago's workforce the most globally competitive in the world

11

22

ECONOMIC GROWTH

Make Chicago a global center for talent, capital, enterprise, and urban vibrancy

47

SPECIAL PROJECTS

Address critical, urgent needs

385 PARTNERS

Together, our partners and clients achieve a greater impact than any organization could on its own:

City and County join forces for better, streamlined services

\$140 million relief for taxpayers could result from 19 collaborative efforts, which Civic Consulting and partners identified and are helping to implement.

Mayor Emanuel publishes transition plan

15 pro bono partners helped Mayor Emanuel publish a transition plan and are supporting many of the plan's most significant reforms.

Cook County saves \$200 million for residents

24 pro bono partners helped President Preckwinkle publish a transition plan, close a budget gap, and launch a performance management system.

Chicago praised in climate change preparation

Our partners invested \$14 million of services for Chicago's environmental agenda, and we are working with Mayor Emanuel to accelerate implementation.

City Colleges launch ambitious reinvention effort

Pro bono partners helped Chancellor Hyman envision and publish a strategic plan to increase the percent of 120,000 students earning degrees of economic value.
