

Civic Consulting Alliance is a partnership that reshapes how the city works. We build pro bono teams of business experts, government leaders, and our own staff. Together we figure out workable and enduring ways to make our city more livable, affordable, and globally competitive.

2010 Scorecard
July 1, 2009 – June 30, 2010

Economic Growth: Drive new investment to Chicago to foster its livability and urban vibrancy

Accomplishments

- Managed the Recovery Partnership of 100 foundations and government agencies, securing \$2 billion in federal stimulus funds
- Streamlined social service contracting (\$700 million per year) to cut in half how long it takes to begin reimbursing nonprofit service providers
- Launched city-wide effort to use Chicago's cultural assets to drive economic investment

- L.E.K. Consulting
- Mayer Brown LLP

Environment and Transit: Make Chicago the nation's greenest city and Chicago Transit Authority the most innovative in the U.S.

Accomplishments

- Coordinated city-wide implementation of the Chicago Climate Action Plan, which won the 2010 Mayors' Climate Protection Award
- Helped 20 City departments and sister agencies implement sustainability plans
- Developed a Convention Pass for the Chicago Transit Authority (CTA), which will provide the CTA with incremental riders and revenue, make Chicago more attractive to conventioners, and reduce congestion
- Developed concept for Chicago's Green Office Challenge, which conserved 72 million kWh of electricity, saved participating offices in Chicago \$5.1 million in energy costs in its first year, and is being replicated nationwide

Education: Ensure that all Chicago Public School (CPS) graduates are ready for college and a career

Accomplishments

- Developed strategic plan for After School Matters, the city's largest after-school program focused on CPS teenagers
- Launched restructuring of Career and Technical Education (CTE) programs, serving 25,000 students; announced 30 new, model "college and career academies" to be opened within high schools over the next several years; 11 opened to date
- Helped expand the breadth of CTE programs, placing 1,300 students in industry-based internships (30% more than last year), enabling students to secure 2,700 industry-recognized certifications (vs. 1,000 last year), and increasing college enrollment among CTE graduates by 2.3%
- Opened Chicago Academy for Advanced Technology, the first of four new, model, stand-alone career academies
- Convened the executive committee of Graduate Chicago, a collaborative to increase the CPS graduation rate 50% by 2020

Workforce Development: Revamp education and workforce systems to meet the needs of Chicago employers and residents

Accomplishments

- Launched Chicago Career Tech to help 30,000 displaced, white-collar workers transition to jobs in the new economy
- Established national academic advisory panel for new Chancellor at the City Colleges of Chicago
- Developing a program to reinvent the City Colleges of Chicago in collaboration with new Chancellor
- Helped CWICstats develop a research agenda to measure the efficacy of workforce development programs in Chicago
- Identified potential for 7,300 new green jobs in Chicago through 2015

Affordability: Keep Chicago affordable by increasing the efficiency and effectiveness of public services

Accomplishments

- Streamlined Chicago Police Department operations to enable 200 officers to be reassigned from desk to street duty, the equivalent of \$30 million in policing
- Consolidated billing for water service into Chicago Department of Revenue, to improve the efficiency of \$400 million in annual collections
- Developed foreclosure prevention approach to help the City work with banks to limit the impact of vacant buildings on neighborhood vitality
- Restructured Illinois Department of Corrections' Meritorious Good Time program, with potential State savings of more than \$100 million
